

PRODUCT DETAILS

- **Up to 7 MPH** forward speeds and 5 MPH reverse speeds keep productivity at a maximum.
 - **36", 48", 52" or 61" fully fabricated cutter decks** are tough and deliver the beautiful cut that Scag mowers are known for.
 - **Kawasaki FR Series or Kohler 7000 Series engines** are ultra-powerful with excellent torque output feature a larger oil, air and fuel filter. 4 cycle gas, forced air-cooled, OHV, twin cylinder, vertical shaft engine with fully pressurized oil system.
 - **Heavy-duty hydraulic drive system** includes dual Hydro-gear ZT2800 transaxles (36", 48" & 52" models) or ZT3100 (61" models) for reliable, Zero Turn maneuverability. Cooling fans on the transaxles add to long-life. All metal gears and charge pumps for reliability and increased performance.
 - **5.5 gallon fuel capacity** (single tank) lets you cut longer between fill-ups. (3.5 gallon fuel capacity on 36" models)
 - **Heavy-duty, aluminum, sealed ball bearing blade drive spindles** provide reliable performance season after season.
 - **Tubular steel main frame** delivers unmatched strength and longevity.
 - **Open, easily accessible engine compartment** makes maintenance easy and provides ample cooling for the V-twin engine. Engine oil drain and air filter are within easy reach.
 - **Large 20" drive tires** and 11" caster tires deliver a nice ride and excellent traction.
 - **Full-featured instrument panel** features ignition switch, throttle control, choke control, PTO deck engagement switch and a digital hourmeter with built-in maintenance reminders.
 - The **Ogura PTO Clutch Brake** delivers big starting and stopping torque to the cutter deck. Adjustable airgap ensures long component life
 - **Interlocked parking brake** system prevents the mower from being driven with the brake on, avoiding premature wear.
 - **Large diameter, padded steering levers** make driving the Liberty Z a breeze. Total control, at your fingertips.
 - **High-strength steel cutter blades** stay sharp longer for a better looking cut and reduced maintenance.
 - **Easily adjust cutting heights** from the seat with the convenient, easy to lift, foot pedal. Wide range of adjustment from 1-1/2" to 4-1/2" in 1/4" increments.
 - **Cupholder** keeps beverage within easy reach and is standard equipment.
 - **Deck leveling adjustment brackets** allow for easy deck leveling adjustment.
 - **Highly flexible discharge chute** will not dent and is easy on the landscape.
 - **No plastic pulleys** - Some [other brands] actually use plastic pulleys on their mowers. Not Scag. All Scag pulleys are made from metal. Plastic is for toys.
 - **High-quality bearings** and bearing debris guard on idler pulleys ensure long, reliable service.
 - **Spring loaded idler arms** effortlessly keep belts in constant adjustment for maximum life and minimum maintenance.
 - **Excellent stability** due to an exceptionally low center-of-gravity and extra wide stance.
-

- The Scag "**Simply the Best**" warranty stands behind you and your mower for years of service. 5-years or 750 hours (whichever comes first)
- **High quality electrical components** such as switches, wiring and harness looms are used throughout the Scag mower line for trouble-free service.
- There are many, time saving, **accessories for the Liberty Z** like the Tiger Striper lawn striping kit, 2 bag grass catchers, halogen light kits and more.
- Actual ground speed may vary. Specifications subject to change without notice or obligation.

Product Dimensions

Scag Liberty Z - Product Dimensions	36" Liberty Z	48" Liberty Z	52" Liberty Z	61" Liberty Z
Length	68"	67.4"	67.4"	73.5"
Width (chute down)	48.0"	60.5"	64.5"	73.5"
Width (chute in transport position)	37"	49"	53"	62"
Weight	555 lbs.	612 lbs.	646 lbs.	695 lbs.
